Hi Elly,

Please find attached a pdf and word file with LDWG response to comments on the draft Phase I DER. As we previously discussed, LDWG prioritized responding to EPA comments that were considered directly relevant to the QAPP Addendum (Phase II PDI), which we are calling Group A comments. These Group A RTC files can also be downloaded on the Sharepoint site at the link below:

LDWG is planning on submitting the Group B comments (i.e., remaining EPA comments that didn't appear to directly affect the QAPP Addendum) on June 11, 2021.

Thanks,
Tom
